## **The Minister writes:**

Thank you for those who prayed for my journey to Tanzania. I have returned safely after a very fruitful trip. I was able to travel extensively around and learn a lot about the 'Water for Life' project. It was also very encouraging to worship with Christians there. Prayer is a very important part of peoples lives. There is prayer before a meal and on arrival after a safe journey. There is a hunger to know God and learn more about Him, especially among the young people. This vibrancy is encouraging and challenging.

June is when we celebrate Fathers' day and this year it falls on June 16th. At St Peter's our morning service at 10am will be a special Fathers' Day Family and Parade service with the uniformed organisations: you would be very welcome to join us. Of course, as a father I can take this opportunity to remind everyone who can, to do something special to show their appreciation for their fathers!

The experience of being a father is a very profound one with great potential for being a positive influence in the family. Whilst most father's bring blessings to their homes, some bring the opposite. Fathers' day is about celebrating the positive experiences we have had.

When Jesus was helping us to understand our relationship with God, he told us to call Him father or dad. It is helpful when we can use our positive experiences of family life to understand our Father God's love for us. Our church family seeks to model this and is much more than just a father's love. It is encouraging to hear people's stories of how they have felt welcomed and accepted. When we say 'our' father, we are reminded that we are not an 'only' child. We have a great number of brothers and sisters all around the world. Our friends in Tanzania are praying for us and we can pray for them.

Do come and join the church family on 16th June or at any other time, and be part of the world wide community that seeks to support each other in our daily life and in our worship.

*Rev Bill Henderson*

## **Saints' Days in June**

### **2nd June: Erasmus (d.c. 300) – a saint for when you're all at sea**

Do you like messing about in boats? If so, then you'll have heard of St Elmo's Fire. It is the light that is sometimes seen on mastheads of boats after storms at sea.

St Elmo is another name for St Erasmus, a fourth century Syrian bishop who was not afraid of violent storms. Legend has it that one day when Erasmus was preaching outside, a thunderbolt hit the ground right beside him. That might have distracted many modern bishops, but not Erasmus—he just kept on preaching. His courage won him the respect of sailors, who also braved the elements of nature daily.

But when Erasmus was made the patron saint of sailors, it led to a curious confusion. His emblem was the windlass, a kind of hoist used by many sailors at sea. So far so good, but many medieval Christians, seeing the windlass emblem, assumed it was some sort of torture instrument, and knowing that Erasmus had died after being persecuted, assumed that a windlass had been used to torture him (which it hadn't).

But no matter—Erasmus was still adopted by sailors who remembered the thunderbolt and looked to him as their patron saint.

### **4th June: Petroc – the founder of Padstow**

If you are going to Cornwall this summer in search of peace and quiet, Petroc is the saint for you. Especially if you find Padstow a bit too crowded for your liking! He would have sympathised.

This 6<sup>th</sup> century abbot is Cornwall's most famous saint. He set sail from South Wales, landed at Haylemouth, and founded a monastery at Lanwethinoc, which was renamed Padstow (Petroc's Stow).

Padstow must have been popular even in those days, because about 30 years later, Petroc, in search of some peace and quiet, moved on to build another monastery at Little Petherick (Nanceventon). Here he engaged with his local community by building a mill and a chapel.

In time, Petroc began feeling crowded again. So he tramped off to the remote wilds of Bodmin Moor, where he lived as a hermit – until

12 other monks turned up to join him. Firmly, Petroc kept them all housed in a monastery on a hilltop, while he enjoyed his private space in a cell by the river.

But even here Petroc was not alone. One day a terrified stag came rushing through the woods, pursued by the hunt. Petroc flung open the door of his cell, and the panting animal took refuge. When the huntsmen arrived on the scene, they did not dare to argue with the famous holy man, and went their way. The stag's gratitude made him tame, and Petroc would come to be portrayed with a stag as his special emblem.

Petroc was buried in the monastery in Padstow but in c.1000 his shrine and relics, including his staff and bell, were translated to Bodmin. Here they have stayed ever since, except for a short, unplanned trip to Brittany in 1177, when they were stolen and carted off by a naughty Canon of the Church. Henry II intervened, and everything but a rib of Petroc was eventually returned.

St Peter's Church  
**Film Club**

**Friday evening, 14th June, 7:30pm**

**‘Les Misérables’ (2012) 12 Rating**

Multiple award-winning ‘Les Misérables’ has just been released on DVD and is a deeply powerful film, conveying the grittiness of life in 19th-century France. It tells an enthralling story of broken dreams and unrequited love, passion, sacrifice and redemption—a timeless testament to the survival of the human spirit. Hugh Jackman plays ex-prisoner Jean Valjean, hunted for decades by the ruthless policeman Javert (Russell Crowe) after he breaks parole. When Valjean agrees to care for dying factory worker Fantine’s (Ann Hathaway) young daughter, Cosette, (Amanda Seyfried) he finds his own life completely changed as a result of that promise.

The stage show has been seen by more than 60 million people in 42 countries and in 21 languages around the globe and is still breaking box-office records everywhere in its 27th year. Take this opportunity to see it on the big screen in the church centre!

**Free admission, tea & coffee, but bring your own popcorn!**

*Film shown at the Church Centre, Lake Lock Road, doors open 7pm*

**What makes men risk car crashes?** *Beware good looking men at the wheel of a car. More than two million men have had a car ‘crash’ of some sort in the last year while admiring themselves in their rear-view mirror. It seems that male motorists study their reflection between five and ten times in a half-hour journey, according to research carried out by MoreThan.*

*That is not all that these so-called ‘motorsexual men’ do at the wheel. They apply deodorant (25%); use face wipes (15%); apply aftershave (13%); moisturiser (12%); and use mouthwash (10%). Six per cent of men even admitted to having applied fake tan, or make-up while driving. As one motoring expert observed: “It’s important that men leave their looks alone while driving, and pay attention to the roads.”*

## Reports from our local schools

### Stanley Grove School

*Aberford Road, Stanley, Wakefield, WF3 4NT*

*Tel: 01924 303805, Headteacher: Mrs J Frost*

*Website: [www.stanleygroveprimary.co.uk](http://www.stanleygroveprimary.co.uk)*

We have had a very busy and enjoyable half-term:

- Class 1 has been learning all about flowers and plants: they bought and planted seeds and held a plant sale. They've studied 'Jack and the Beanstalk' and grown their own runner beans, and made models of flowers. They had a brilliant trip to Tropical Butterfly House where they stroked a snake, a cockroach and a tenrec and saw a parrot riding a bicycle!
- Class 2 has been studying Mexico. They've written poems about Mexico, read stories and made masks. At the end of term they all dressed up for a Mexico day. They've also been learning ball and beanbag games and the importance of teamwork.
- Class 3 has been learning about the Victorians: they've studied Queen Victoria and learned about toys, clothes, houses and factories from that era. They made their own lavender bags and did weaving. This term they've also enjoyed going swimming every week with school.
- Class 4 has been looking at sculpture, and particularly the work of Barbara Hepworth. They made their own clay sculptures. Also this term they've written stories about imaginary worlds, done multi-media powerpoints and learned about electricity. In PE they've been doing athletics.
- Class 5 has been reading 'Worm Story' by Morris Gleitzman and have made powerpoints about the story and made their own fabric 'microbes'. In RE they have been comparing creation stories to science, and they've also enjoyed playing cricket.

Our Year 6 students worked very hard towards their SATs exams and we wish them all the best with their results and their preparations for moving on to high school. They will have taster days at their high schools this term and take part in various activities there to help them with the transition.

Mrs O'Kane (Class 1) and Miss Turner (Early Years Unit) are both starting their maternity leave this term. We wish them all the best with the arrival of their new babies!

On Thursday 13th June, our Early Years Unit will be holding an open evening for prospective new pupils and their families to have a look around and meet the practitioners. There will also be the opportunity to look around the main school.

Also on Thursday 13th June, our after school Glee Club will be holding a special concert: 'Glee Jukebox'. Last year's Glee concert was a tremendous success, and the children have been working very hard towards this year's concert. Tickets cost £2.50 and are available from the school office.

Please have a look at our website: [www.stanleygroveprimary.co.uk](http://www.stanleygroveprimary.co.uk). It has lots of photos of special activities at the school, as well as school information, newsletters, timetables and even homework!

**Sundays – lazy no longer:** *It seems that Sunday is not a day of rest anymore: we typically carry out about 15 jobs on the day. In fact, for one in ten of us, Sunday is one of the busiest days of our week, with cleaning, ironing and washing topping the list of laborious tasks. The study was carried out for Chef & Brewer. When is the last time you gave yourself simply a day to rest?*

## Columba of Iona (c. 521 -97): 1450 years on

This month marks the 1450th anniversary of the arrival of Christianity in the UK. It was brought by St Columba from Ireland to Iona, a tiny island off Mull, in the Western Highlands. Columba was born in Donegal of the royal Ui Neill clan, and trained as a monk. He founded the monasteries of Derry, Durrow and Kells but left Ireland in 565 with 12 companions, and founded the monastery on Iona.

As well as establishing the monastery on Iona, Columba also converted Brude, king of the Picts. He also had great skill as a scribe; an example being the Cathach of Columba, a late 6th century psalter in the Irish Academy, which is the oldest surviving example of Irish majuscule writing.

It is a tribute to this man that his traditions were upheld by his followers for about a century, not least in the Synod of Whitby and in Irish monasteries on the continent of Europe.

Here is a prayer of St Columba:

### Christ With Us

*My dearest Lord,  
Be Thou a bright flame before me,  
Be Thou a guiding star above me,  
Be Thou a smooth path beneath me,  
Be Thou a kindly shepherd behind me,  
Today and evermore.*

## *Prayers for June*

### **Prayer for faith in God**

Heavenly Father, when the world is wobbling and our lives spin out of our control, when everything seems wrong and we don't know how to put things right, give us the gift of faith: *believing* faith, *trusting* faith, *expectant* faith.

Faith to *believe* that Jesus is Lord, your Son and our Saviour, alive today. Faith to transfer our *trust* from our own efforts, which are insufficient, to his achievement on the cross, which is all-sufficient, bringing forgiveness and reconciliation with you, our creator and loving Father.

And *expectant* faith, that in our trouble, in our helplessness, in our fear, you will hear our prayers and act; you will bring hope and healing, rest and resolution, for your kingdom glory and for our benefit and well-being. In every circumstance of our lives, give us faith – in you, Sovereign Lord. In the name of Jesus Christ, Amen.

*By Daphne Kitching*

### **River and Sky**

Move our hearts with the calm, smooth flow of your grace. Let the river of your love run through our souls. May my soul be carried by the current of your love, towards the wide, infinite ocean of heaven. Stretch out my heart with your strength, as you stretch out the sky above the earth. Smooth out any wrinkles of hatred or resentment. Enlarge my soul that it may know more fully your truth.

*A prayer of Gilbert of Hoyland, (died c.1170)*

### **Afloat, afield**

God and Jesus and the Spirit so pure,  
Possess me, and shield me, assist me sure,  
Order my path and before my soul go  
In hollow, on hill, and on plain below,  
Afloat, afield, the assisting Three sure.

*An ancient Celtic prayer*
